please amend the above-identified application as follows:

IN THE CLAIMS:

Please add the following new claims:

45. (New) An ink cartridge for use in an ink jet recording apparatus comprising:
a container body having an ink chamber;
an ink supply port which communicates said ink chamber to a recording head;
the internal space of said container body divided into a plurality of areas by walls; and
wherein at least one of said areas storing ink is provided with said ink supply port, and a
storage device storing information regarding an ink stored amount is attached so as to be
readable by a recording apparatus.
